## HTC September 2008 Sales Report

Taoyuan, Taiwan, R.O.C. October 6, 2008 – HTC Corporation (TAIEX: 2498) today announced its total revenues for September 2008 were NT\$ 13,713 million, up 29.96 % YoY. For the third quarter of 2008, total revenues reached NT\$ 37,859 million with 30.06% year-on-year growth.

For the third quarter of 2008, pre-bonus adjustment self-assessed total net income before tax NT\$ 9,352 million, total net income after tax NT\$ 8,414 million, and self-assessed earnings per share after tax were NT\$ 11.14 based on the current 755,394 thousand outstanding shares after ex-rights. Post-bonus adjustment self-assessed total net income before tax NT\$ 7,846 million, total net income after tax NT\$ 7,071 million, and self-assessed earnings per share after tax were NT\$ 9.36. The third quarter self-assessed total revenue was in line with the guidance provided in the last quarter's conference call. Nevertheless, September revenue was slightly affected by the delay of shipment because of typhoon weather. We remain our view on the full year revenue guidance of a 20-30 percent annual growth rate which provided in the first quarter conference call could be close to the upper end of target.

## Sales Report of September 2008
